

Did You Know?

Connecting Activities (CA) is a statewide network charged with supporting work-based learning and other career development education activities for students. CA offers several free resources to support you and your school as you develop experiences for students.

Free Online Resources:

Read the Career Development Education Guide for ideas, concepts and examples to guide the creation of high quality career development education in your school. <http://massconnecting.org/cdeguide>

Use the Massachusetts Work-Based Learning Plan, a simple and intuitive two-page planning and evaluation document to structure student internships and work experiences.

<http://massconnecting.org/wblp>

Manage information for your internship program and use the online version of the Work-Based Learning Plan through the Massachusetts Career Ready (Connecting Activities) Database. Learn more at

<http://massconnecting.org/database-manual>

and then sign up for an account at <https://masswbl.org>.

Find more information, including labor market information, tools and techniques and more at <http://massconnecting.org>

Virtual Events:

Visit massconnecting.org/news or sign up for a masswbl.org database account for announcements of free statewide virtual events. Connect with your local MassHire workforce board for more information.
