

Join the MassHire Cape & Islands Workforce Board Youth Council Today!

The MassHire Cape & Islands Workforce Board (CIWB) Youth Council is a collaboration among business and educational professionals, local government, and community leaders that aim to provide all young adults with the opportunity to become productive members of the community. The Youth Council envisions a community where all young adults are successful in school, work, and life. Youth Council interns have the opportunity to volunteer in community events and/or projects, assist in CIWB events and/or meetings, collaborate with CIWB staff on the implementation of new programs, and most importantly build a network on Cape Cod and the Islands. Interns become a part of the CIWB team as they learn to strengthen and enhance their employability and career readiness skills. Become a Youth Council intern to make your mark on the Cape!

The MassHire Cape & Islands Workforce Board is committed to providing young adults with numerous work-based learning experiences to prepare them for their future career path. Young adults are our future workforce and the CIWB is dedicated to continue to provide students with a range career-related opportunities that increase their career readiness and support their academic skills gain.

As we continue to navigate the changes brought on by the pandemic, the CIWB is well prepared to safely implement the Massachusetts safety standards for workplaces. Our Youth Council meetings will be held virtually via Zoom. Interns will have the opportunity to participate in activities within the community, however, we will ensure that all safety guidelines and protocols implemented by the county are followed. The CIWB will continue to communicate all updates on regulations and mandates set forth by the Department of Elementary and Secondary Education (DESE) and the Department of Public Health (DPH).
